

# UC SYSTEM With F50 series interactive displays by **avocor**

## Microsoft Teams Room with Lenovo and Avocor

Microsoft continues to add capabilities to Teams Meetings, and the addition of live in-meeting whiteboarding enables participants in Microsoft Team Rooms to contribute in rooms equipped with interactive displays such as the Avocor AVF-6550. The Lenovo ThinkSmart Hub 500 is a purpose-built Microsoft Teams Room system that offers an easy interface with one-click to join meetings and integrated audio to support clear communication. The Logitech Rally camera delivers premium performance in professional meeting spaces of all shapes and sizes by capturing every person in the room with truly phenomenal video quality.
